

A CITY ON MARS

Presented by Humanity in Deep Space

Tuesday, Nov. 19, 2024 / 4:00pm to 5:00pm ET

School of Art and Visual Studies Building, 236 Bolivar Street,
Lexington, KY 40506

Join Kelly Weinersmith-an award-winning scientist and author of “A City On Mars” for a provocative conversation surrounding the potential for a settlement on Mars. The talk will tackle a range of topics focused on the issues and challenges that come with venturing into deep space.

Event is Free – No Registration Required A book signing will follow immediately after the event.
